

# SAY! Don't You Want to Make Some Money?

Don't you want to have a home in a country of flowers and sunshine? Would you like to live where men and women are healthy, where the babies grow to manhood and womanhood without the care of doctors and nurses? Would you like to live where there are few extremes of heat or cold, where the winters are mild, and where the summer nights are delightfully cool and pleasant, and where it is a joy to live?

Would you like to live in a country where you can raise a greater variety of farm products more successfully than in almost any other place in the Union? Would you like to buy some land where it is bound to double in value in a short time, where you can get the purest, sweetest, softest well water that you can find any place? Where you have a soil of surpassing fertility and of great depth, underlaid with a clay sub-soil? Where you can raise wheat and corn, oats and barley,

### Wayside Items.

What will the memorable 4th of July bring forth? We wait patiently to hear the results of a saner 4th.

Good, heavy rains have been general, we think. Farmers are feeling very good over the crop prospects.

Lawrence and Byrham Davis with Charlie Butler left Saturday for Kansas harvest fields near Wellington.

W. H. Hambley left Monday with fat cows for the Amarillo market.

More than 50 bushels of wild plums have been brought out of Palo Duro canyon in the last ten days. Quite a number of families camped over night, others going to the J. A. ranch and partook of the hospitalities of Jack Twiney, the genial host who makes everyone feel welcome.

Maudie and John Lawson were on the sick list last week but are now convalescing. Little Nelda Coleman has quite recovered.

Rev. J. F. Black closed a successful meeting of nearly two weeks duration on the 26th ult. The visible results were 12 conversions and reclamations. Five joined the Baptist Church and were baptised and received Monday morning. Others will join other denominations.

Marvin Sluder is in bed with a sprained ankle caused from a horse falling on his foot on wet ground. He will be unable to walk for some time.

Several went from Wayside to the Happy picnic the 4th.

TEDDIE

Mrs. M. M. Upshaw accompanied by John Wesley Worley, a grandson, expect to leave for the state of Washington on the evening train Sunday. Little John Wesley will be missed by a number who are accustomed to seeing him about the city.

### Kitchen Hints.

A thick bottle will prove a very efficient potato masher.

A baking powder can is just the right size for a biscuit cutter and will serve as an excellent utensil for chopping potatoes, bread, vegetables and fruits.

An inch-wide strip of clean white cotton cloth, wet and drawn tightly around both edges of the pie and pasted together with flour will keep pies from running over while baking.

A collar of stiff white paper pinned about a layer cake will keep the icing from running down the sides, and one broad enough to cover the whole sides of the cake will keep the filling in until it sets.

The kitchen floor may be scrubbed with an ordinary scrub brush fastened to a mop stick, so that one need not get down on hands and knees. Surplus water can be taken up with cloth in another mop stick.

A wise housekeeper keeps a paper over the catch-all pan under the burners of the gas stove, and changes it often. That's easier than scouring the pans.

On the sill she keeps a small pot of growing parsley, and she always has green on hand to flavor soup and to decorate the meat platter.

Mrs. C. S. McBride and daughter left on the evening train Friday for Plainview. We are informed that they expect to remain indefinitely. Their many friends are sorry to have them leave.

Mrs. F. Habrison and daughter, Bessie, of Ben Franklin, Delta County, Texas, arrived Friday afternoon and are visiting at the home of her son, J. A. Habrison. It is their expectation to stay about a month.
